Joy Rothrock
Indiana State Fair Commission

Dear Ms. Rothrock:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes proposed by the Indiana State Fair Commission (the "Commission") and contained in LSA Document 07-587, which amends 80 IAC 1 through 80 IAC 5. The proposed rule makes other numerous changes concerning small and special procurements and makes numerous technical changes.

The impact statement provided by the Commission indicates that the provisions of the rule will not create any new reporting costs or economic costs for small business. The IEDC does not object to the economic impact to small businesses associated with the rule changes.

If you have any questions about the comments contained herein please contact me at 232-8962 or rasberry@iedc.in.gov.

Regards,
